

53RD MISSOURI WHITEWATER CHAMPIONSHIPS

MARCH 20-22, 2020 | MISSOURIWHITEWATER.ORG

Greetings!

The Missouri Whitewater Association (MWA) is proud to host our 53rd Annual Missouri Whitewater Championships on March 20-22, 2020, on the St. Francis River near Fredericktown, Missouri. This event is organized and run by a volunteer staff of over one hundred people. After months of planning and race registration, a week of race course preparation, and three days of racing, scoring, judging, safety boating, and portaging canoes and kayaks back to the start line, we like to give our volunteers and racers (who also pull double-duty as volunteers) a huge and well-deserved “thank you!” As a not-for-profit organization, we rely on the generosity of others, as much as we rely on the generosity of our own volunteers and members.

We would like to offer your company a chance to shine by donating a gear item or gift certificate that we can use to reward our volunteers after the event is over. Aside from giving tangible rewards to our helpers, this will also expose your products, services and your company name to people who can spread the word of your dedication to our conservation efforts and to our sport. Should you choose to donate, feel free to also enclose any applicable company or product brochures that we can distribute at the event to further spread the word of your generosity. As soon as your donation arrives, we will increase your visibility by posting your business information and pictures of the donations on our website:

missouriwhitewater.org.

Our annual races, held at the Millstream Gardens Conservation Area, attract competitors from ten states, and hundreds of spectators. Our event continues a long tradition of downriver and whitewater slalom racing for canoes and kayaks, and includes innovations like Stand Up Paddleboards (SUPs) and Boatercross racing. MWA is a 501(c)(3) tax-exempt organization, created to encourage the growth of paddling, teach river safety, & educate the general public about the sport & river conservation.

Please consider this request and call Diane at 573-915-7404 if you have questions, or send an email to the MWA Volunteer Drawing Coordinator at:

donations@missouriwhitewater.org.

Remember, as a 501(c)(3) organization, all donations to the MWA are tax-deductible (tax ID #43-1868602—determination letter is on our website).

We will need to receive your donation by March 13, 2020. Please send donations to:

MWA Volunteer Donations, C/O Diane McHenry, PO Box 165, Ironton, MO 63650

Thank you for your generosity!
