Thanks to the Mehlville School District for arranging for use of the pool.

Thanks to all who helped with timing/scoring and course set up and take down.

NOTE: The Mehlville pool is a standard 25 yard 6 lane pool so the course was longer than the course used at the smaller VA pool for the last several years. Using the locations for the backstroke flag poles resulted in a course that was several feet longer and wider so times do not compare to previous years.
