Thanks to the Mehlville School District for arranging for use of the pool.
 Thanks to all who helped with timing/scoring and course set up and take down.

NOTE: The Mehlville pool is a standard 25 yard 6 lane pool so the course was longer than the course used at the smaller VA pool for the last several years. Using the backstroke flag pole locations for the end gate lines resulted in a course that was several feet longer than the standard pool slalom course.
