### *About the Hike*

Join us for a refreshing, **Winter Wonderland Hike** through the scenic **Indian Camp Creek Park!** Explore wooded hills, open prairies, and Big Creek's winding paths. Be prepared for muddy or slick spots—terrain includes **rocks, roots, and natural surfaces**. January weather in Missouri can be brisk—**dress in warm layers** and **bring plenty of water**. Please no pets or children.

---

## **About the Route**

We will start with the **wheelchair accessible**, 3mi **Indian Camp Creek Park Walking Loop**. According to AllTrails this will take two hours. Then at 1230, we will start on the **Indian Camp Creek Park Trail**, which basically splits the Perimeter Loop Trail into two loops. Meaning, those who do not want to do the entire 9mi, will have a chance to dip in the middle of the hike. Those who do decide to join for the entire hike, bring your red head lamp. The daylight will be SHORT!
